All pets must be current on vaccinations before boarding. A pre-boarding exam is required for pets who are not patients of the clinic. An intestinal parasite exam is required for boarding animals for their protection as well as other boarders. All pets will receive a Capstar tablet (flea adulticide) upon admittance for boarding at no additional charge.

Reasonable precaution will be used against injury, escape or death of this pet. The clinic staff will not be held liable for problems that develop provided reasonable care and precautions are followed.

We reserve the right to modify diet and treats if inappropriate food items or amounts are brought in with the pet. The veterinary staff reserves the right to make a decision on what is appropriate given individual circumstances.

I understand that if any problems develop, my pet will be treated as deemed best by the staff veterinarians and I assume full responsibility for the expense of the treatment.
